Gainesville Creative Series: Session 01 (B)

This is a request for the City Commission to collaborate with Charter Officers and organizational leaders in a design-thinking workshop.

The City Commission together with Charter Officers and organizational leaders will participate in the first session of a series of design-thinking workshops. The Gainesville Creative Series aims to foster imagination as we envision the future state of our community through three sessions, each focusing on inspiring, designing, and leading a movement.

None

The City Commission participate in Session 01 of the Gainesville Creative Series.
