Rules of the Utility Advisory Board (B)

At their February 15, 2017 regular meeting, the Board did a final review of their draft rules, which had been revised by the City Attorney on the Board's behalf. They voted 5-1 (with member Annie Orlando in dissent and member Darin Cook absent) to accept the rules as drafted and to send them to the City Commission for final approval.

Approve the rules of the Utility Advisory Board as drafted.
