Application for Disability Retirement Patricia Smith (B)

This item requests approval of the Disability Retirement application of former Custodial Worker Patricia Smith.

A meeting of the Disability Review Committee was conducted on Monday, April 24, 2017 to review the application for disability retirement of Custodial Worker Patricia Smith. Her relevant medical information was reviewed by the Plan's third party administrator and they determined that Ms. Smith is unable to perform the job duties as a custodian for the City of Gainesville. This is the standard for approving a disability retirement under the General Employee's Pension Plan. In reviewing the application and supporting information from her physician, it is the recommendation of the Disability Review Committee that the Board of Trustees of the Plan approve the application.

Ms. Smith's out-of-line-of-duty pension benefit is \$522.38 before Social Security offsets and will be paid out of the City of Gainesville Employee's Pension Plan. The benefit is gross of any offsets associated with collateral income as required by the Plan. If Ms. Smith should receive collateral employer provided benefit income, those offsets will be taken from the monthly benefit.

The Board of Trustees of the City of Gainesville Employee's Pension Plan approve the disability retirement of Patricia Smith retro-active to April 1, 2017.
