### **General Policy Committee Referral List and Legislative/Policy Process for the City (B)**

At the March 8, 2018, General Policy Committee (GPC) Meeting, the City Commission directed staff to place the GPC referral list on the March 15<sup>th</sup> City Commission Regular Meeting agenda for discussion. The Charter Officers met to discuss the GPC referral list and ideas for a new legislative/policy process for the City. As a result of their discussion, the Charter Officers recommend that the City Commission schedule GPC items to be heard through the GPC Meeting on April 26<sup>th</sup> (a copy of this proposed schedule is included in the back-up), allow the remaining GPC referral items to automatically sunset on April 30<sup>th</sup> in accordance with the current City Commission Rules (a copy of this sunset list is included in the back-up) and recess GPC meetings until September. This would allow the City Commission and Staff time to focus on the budget, items already discussed/approved (such as the joint City/County issues of homelessness and the CRA) and designing a new legislative/policy process. A timeline for a conceptual legislative/policy process is included in the back-up and the Charter Officers would like to present further details on this concept to the City Commission at the April 10<sup>th</sup> City Commission Special Meeting.

(1) Hold GPC Meetings through April 26<sup>th</sup> to hear items on the referral list; (2) GPC stand in recess from May through August and schedule the next GPC Meeting for September 13, 2018; and (3) add a discussion of a new legislative/policy process to the April 10<sup>th</sup> Meeting Agenda.
