Public Hearing and Resolution for the Regional Transit System (RTS) Program of Projects (POP) FY 2018 (B)

This item is a request to accept comments at a Public Hearing on the Regional Transit System Program of Projects (POP) FY 2018, and adopt a Resolution authorizing the filing of grant applications with the Federal Transit Administration and Florida Department of Transportation.

In order to remain eligible for federal and state funding, the Regional Transit System (RTS) is required annually to submit a Program of Projects (POP) to the Federal Transit Administration and a budget application for capital and operating projects to the Florida Department of Transportation. The application processes require notice to the public to provide opportunity for comment and input. The POP was presented to the RTS Advisory Board on April 25, 2018, and was published in the Gainesville Guardian on April 26, 2018 and in the Gainesville Sun on May 2, 2018. Citizens will also be able to comment at a public hearing during the City Commission meeting. RTS ensures that the final POP incorporates modifications based on input during the public comment opportunities.

The revenue for the Program of Projects of \$40,293,521 is included in the Transportation Improvement Program approved by the Metropolitan Transportation Planning Organization.

The City Commission: 1) accept comments at a Public Hearing on the Regional Transit System Program of Projects for FY 2018; and 2) adopt the Resolution authorizing the Regional Transit System to file grant applications with the Federal Transit Administration and Florida Department of Transportation as outlined in the Program of Projects for FY 2018.
