Application for Disability Retirement Richard McRee (B)

This item request approval of the Disability Retirement application of Vehicle Service Attendant-RTS Richard McRee

A meeting of the Disability Review Committee was conducted on Friday, December 14, 2018 to review the application for disability retirement of Vehicle Service Attendant-RTS Richard McRee. His relevant medical information was reviewed by the Plan's third party administrator and they determined that Mr. McRee is unable to perform the job duties as a Vehicle Service Attendant-RTS for the City of Gainesville. This is the standard for approving a disability retirement under the General Employee's Pension Plan. In reviewing the application and supporting information from his physician, it is the recommendation of the Disability Review Committee that the Board of Trustees of the Plan approves the application.

Mr. McRee's out-of-line-of duty pension benefit is \$869.63 before Social Security Offsets and will be paid out of the City of Gainesville Employee's Pension Plan. The benefit is gross of any offsets associated with collateral income as required by the Plan. If Mr. McRee should receive collateral employer provided benefit income, those offsets will be taken from the monthly benefit.

The Board of Trustees of the City of Gainesville Employee's Pension Plan approve the disability retirement of Richard McRee retro-active to December 1, 2018.
