### **Approval of Additional Budget Special Meeting for GRU (NB)**

On February 6, 2020, the City Commission approved a schedule of budget workshops and special meetings for GRU. The final meeting date was to be June 16, 2020, but staff has since learned that date conflicts with a County Commission meeting and therefore can't be broadcast in accordance with the rules for virtual meetings. Staff asked the Clerk to cancel the June 16th meeting and provide additional dates for a new meeting and are requesting today to schedule a special meeting on July 13, 2020 for GRU to present budget information and request approval of proposed rates.

None at this time.

The City Commission approve the scheduling of a special meeting with GRU on July 13, 2020.
