GRU FY2021 Budget Discussion (B)

Staff will give presentations on GRU's baseline fuels budget and other information related to GRU's proposed FY2021 budget and will ask the UAB to make a recommendation on GRU's final budget for the City Commission.

GRU's proposed FY21 budget.

The UAB advise the City Commission to approve the General Manager's recommendation as follows:

- 1) No base rate increases for the electric, water, wastewater or gas systems
- 2) A 1.84% inflationary increase in water/wastewater connection charges
