### **Selection of Three (3) Commissioners to Serve on the City's Finance Committee (NB)**

At the General Policy Committee meeting on July 22, 2021, the City Commission directed that its rules be revised to bifurcate the existing Audit and Finance Committee (a Standing Committee created by the Commission rules) into two separate Standing Committees effective January 1, 2022.

The City Auditor requests the Mayor appoint three (3) Commissioners to serve on the City's Finance Committee.
