Further Discussion of Santa Fe College Heritage Food Symposium (NB)

At the April 13, 2022 meeting of the Board, a presentation was provided by Santa Fe College regarding the Heritage Food Project they have received USDA grant funding for. The presentation was informational. Included as part of the project is a Symposium in the fall which some Board members and staff have been asked to participate in. The Board may wish to discuss the roles that different individuals will play in the Symposium.
